

Double 50

Non Lit – Double Sided

Description

Procura Double 50 is a versatile and dynamic SEG frame that offers endless display possibilities. With its double-sided design and 50mm profile, this frame makes a bold statement, showcasing your graphics, photos, or artwork from any angle. The frame can be configured in numerous ways, including free-standing or with hanging points, allowing you to tailor it to your specific needs. The durable aluminum construction and SEG (silicone edge graphic) technology ensure a long-lasting and professional display, making the Procura Double 50 an ideal choice for any interior.
