

Lightbox 60

Back Lit LED Frame – Single Sided

Description

Procura Single 60 Lightbox is a sleek and eye-catching SEG lightbox that adds a touch of sophistication to any space. With its ultra-thin 60mm profile, this lightbox is the thinnest in the Procura line and provides a minimal and modern look. The single-sided design and powerful LED lights make your graphics, photos, or artwork pop, creating a bright and attention-grabbing display. The durable aluminum construction and SEG (silicone edge graphic) technology ensure a long-lasting and seamless presentation.
