

Lightbox 90

Edge Lit LED Frame – Single Sided

Description

The Procura Single 90 Lightbox is a versatile and convenient solution for illuminating your graphics, signs, and advertising materials. Featuring edge-lit technology, this lightbox delivers bright and even illumination, making your content stand out in any setting. And, because it's designed to be easily knocked down for shipping, it's a great option for those who need to transport their lightbox from one location to another.
